Handwritten text in an ancient script, likely Tamil, inscribed on a palm leaf manuscript. The text is arranged in approximately three horizontal lines across the length of the leaf. The characters are dark and clearly etched into the light-colored surface of the leaf. The script is a form of the Tamil alphabet, used for recording literary or historical information in pre-modern Southeast Asia.

Handwritten text on a palm leaf manuscript, likely in an ancient script such as Kawi or Balinese. The text is arranged in several horizontal lines across the length of the leaf. The script is finely etched into the surface of the dried leaf.

Handwritten text in an ancient script, likely Tamil, inscribed on a palm leaf manuscript. The text is arranged in approximately 10 horizontal lines across the length of the leaf. A small decorative floral or star-shaped symbol is visible in the center of the leaf, between the fourth and fifth lines of text.

Handwritten text on a palm leaf manuscript, likely in an ancient script such as Tamil or Grantha. The text is arranged in three horizontal lines across the length of the leaf. The script is finely etched into the surface of the dried leaf.
